

# ZONING CODE AMENDMENT FILING INSTRUCTIONS

## A. General Information:

1. The City of Vernon Zoning Ordinance divides all properties into various zoning districts in order to designate land uses and development standards. Each zone allows particular uses and stipulates specific development standards. A zoning ordinance amendment is a request to make changes in zoning regulations or the zoning map.
2. A proposed amendment to the zoning ordinance must be submitted to the Department of Community Services. Once the City Council receives a recommendation from the Planning Department, the City Council shall hold a public hearing on the proposed amendment. The City Council may approve, modify, or disapprove the Planning Department's recommendation.
3. An incomplete application will not be scheduled for public hearing and will be returned to the applicant.
4. **PLEASE NOTE** that the act of filing for a Zoning Code Amendment does not in any way presume approval by the City. The City will evaluate all evidence submitted by the applicant, proponents, and opponents prior to reaching a decision based on criteria contained in the Vernon Municipal Code.
