**City of Vernon  
 Notice of Volumetric Charge Pass Through Adjustment**

G-1b

January 12, 2015

Dear Customer,

The City of Vernon water rates are subject to automatic pass-through adjustments due to increases in the cost of the water purchased from Central Basin Municipal Water District; replenishment assessment fees paid to the Water Replenishment District of Southern California and inflation adjustment based on the Consumer Price Index. Based on these adjustment factors the City's water rates will increase, effective March 1, 2015, as listed in the tables below:

**Meter Charge (Per Month)**

Meter Size (Inches)	Current Rate	Adjusted Rate	% Change/+
5/8	\$7.38	\$7.52	1.926
3/4	\$11.07	\$11.29	1.926
1	\$18.47	\$18.82	1.926
1.5	\$36.94	\$37.65	1.926
2.0	\$59.10	\$60.23	1.926
3.0	\$110.80	\$112.93	1.926
4.0	\$184.67	\$188.23	1.926
6.0	\$369.34	\$376.46	1.926
8.0	\$590.94	\$602.33	1.926

**Volumetric Charge (Per One Hundred Cubic Feet)**

Current Rate	Adjusted Rate	% Change/+
