Vernon E-Waste & Used Oil Recycling Event

MARCH 7, 2016 [KJSERV](#) [LEAVE A COMMENT](#)

Do you live or work in the City of Vernon? Do you have electronic waste and/or used oil and filters you need to get rid of? Good news! **The City of Vernon** is hosting a FREE recycling collection event on Tuesday, April 5th from 10am–2pm at Vernon Fire Station #1.

The City's Health Department is teaming with **Arion Global, Inc.** to collect e-waste, and with **KJServices Environmental Consulting**, to collect used motor oil & filters.

See event flyers for details and restrictions. For more information, contact Truckers Recycle at info@truckersrecycle.com or call (562) 944-4766.

City of Vernon E-Waste Recycling Event

The City of Vernon Health Department, along with Arion Global, Inc., has scheduled a business electronics waste (e-waste) recycling event in Vernon!

For one day only, Vernon businesses/employees/residents will be able to drop-off most e-wastes and the City will provide for the removal and disposal for free.

When: Tuesday April 5, 2016
From 10:00 AM until 2:00 PM

Where: Vernon Fire Station #1
3375 Fruitland Ave.
(Enter on driveway next to 3345 Fruitland Ave., and follow the arrows)

Items allowed: Personal computers/laptops, CRT monitors/TV's/plasma/LCD screens, keyboards, mice/trackballs, type writers, copiers/faxes, telephones/cell phones, answering machines, pagers, radios, stereos/speakers, VCR's/DVD players, remote controls, modems/servers, circuit boards, and hard drives.

(Only items listed can be accepted; *no* household hazardous wastes such as paint, solvents, pesticides, oils, etc., are permitted)

In addition: E-wastes will be collected for free/Universal wastes require additional fees:
Loose batteries will be accepted at \$1.50 / lb.
Straight fluorescent tubes will be accepted at \$.25 / foot, and mixed fluorescent bulbs at \$3.50 / lb. (*Arion Global will bill companies directly*)
No computer cartridges will be accepted this time.

(*For questions or for businesses requiring special handling or large loads are encouraged to contact us at 323/583-8811 extension 231.*)
