Vernon, CA 90058

Dear Mr. Whitworth:

On behalf of the South Coast Air Quality Management District (SCAQMD), I am writing to invite you to be a member of the Exide Community Advisory Committee. The purpose of this Advisory Committee is to provide a forum for community leaders and members to hear updates from SCAQMD staff on our latest efforts regarding Exide. These meetings will also provide an opportunity for the community to share with staff any observations or concerns relating to air quality issues at this facility.

The first meeting will be on **Wednesday, September 17, 2014**, from 6:00 to 8:00 p.m. at Resurrection Church, 3324 E. Opal Street, Los Angeles. A draft agenda is attached for your review. (Please reply by Wednesday, September 10, 2014 to Jeanette Short at jshort1@aqmd.gov or 909-396-2942 regarding your participation in this Advisory Committee.)

Thank you for considering being part of this Advisory Committee. If you have questions about this committee, contact Derrick Alatorre, Assistant Deputy Executive Officer/Public Advisor at dalatorre@aqmd.gov or 909-396-3122.

Sincerely,

Barry R. Wallerstein, D.Env.
Executive Officer
