(SEAL)
EXHIBIT A
CITY OF VERNON
CORRECTIVE EYE SURGERY PLAN

OBJECTIVE

The objective of the Corrective Eye Surgery Plan (the “Plan”) is to correct the vision to 20/20 for City employees.

ELIGIBILITY

Any full-time City employee who has completed his/her initial evaluation period and a minimum of one year of service period beyond the initial evaluation period, is eligible to apply for a loan under the program. Employees who are temporary, provisional, on leave of absence, probation, or who have returned to probationary status, or are not eligible to apply for this loan.

Overall minimum performance evaluation within twelve months of the loan application date must be 3.0 and/or A & B ratings for staff. Employees who receive below satisfaction or below standard in any areas may not be eligible to apply. Supervisor performance evaluation ratings must be an overall minimum of 3.50 and/or A & B ratings and may not be eligible to apply if they receive any below standard or below satisfactory ratings.

Employees may be eligible to finance an additional procedure if necessary and if funds are available and approved by Director of Personnel. Any additional procedures would require a new Application and Agreement.

LOAN LIMITS

Each employee is eligible to borrow up to a maximum of $4,000.00 with repayment over 36 months. Interest free loans will be made up to this limit for employees determined to be eligible.

Loans will be made to participants on a first-come, first-served basis and as funds are available for such loans.

///

///
LOAN PAYMENTS

Loan payments will be made through payroll deduction on a bi-weekly basis. Employees are responsible for monthly payments in the same amount as the total of the bi-weekly payroll deduction even if the employee is on a leave of absence or otherwise not receiving a paycheck. Loans are due and payable in full upon separation of employment for any reason. Any payments made after separation from the City are subject to the payment amount plus interest at a rate of 5% per annum compounded daily or the maximum legal amount allowable, whichever is less.

The failure to make full payment upon demand will obligate the employee to pay the City’s attorney’s fees and costs in any restitution or collections process.

Loans will be made for a maximum period of 36 months but may be paid earlier at the participant’s request.

CORRECTIVE EYE SURGERY REQUIREMENTS

1. Copy of doctor’s prescription for patient/employee.
2. Proof of payment for procedure.

LIMITATIONS

Loans will be made to employees on a first-come, first served basis, until the loan fund is depleted. The loan fund may be adjusted each fiscal year. As funds become available through loan repayment, additional loans will be processed.

PROCEDURE

Employees applying for this Plan will:

1. Obtain an application from the Treasurer’s Department.
2. Submit the application and copy of doctor’s prescription/diagnosis/recommendation and proof of payment for procedure to the Treasurer’s Department.
3. The Treasurer’s Department will verify employment and will coordinate with the employee’s Department Head and Payroll when reviewing the application.
4. The Treasurer’s Department will submit the application to the Director of Personnel with a Loan Verification Sheet containing comments from Payroll and the employee’s Department Head.
5. Application may be denied, in which case the Director of Personnel will communicate with employee regarding the denial.
6. If approved by the Director of Personnel, the Treasurer’s Department will finalize the Loan Agreement.
7. The Treasurer's Department will deliver a check to the employee or make the check available for the employee to pick up.

**LOAN AGREEMENT**

A written agreement between the City and the employee is required. The loan agreement will outline the responsibilities of the employee, terms of the agreement, payroll deduction arrangements, and other conditions of the Plan.

**RESTRICTION ON TRANSFER OR ASSIGNMENT**

Each employee in the Plan agrees that the procedure available under this Plan will be restricted only to the employee. The loan made available under the Plan shall be used for corrective eye surgery for the participating employee, only. If the loan is not used for such purpose, the employee must immediately pay all money loaned under the Plan back to the City, with interest at a rate of 5% per annum compounded daily or the maximum legal amount allowable, whichever is less.

**POTENTIAL INCOME TAX CONSEQUENCES**

Employees in the plan should be aware that certain legislation has been passed that could potentially cause the interest foregone by the City to be treated as income to the employee, for tax purposes, in the year the loan is made.

While the City expects that the IRS will treat the loans under the Plan as falling within a de minimis exception applying to small interest sums, employees should refer questions to their tax advisor.

Any tax consequences that arise as a result of this loan shall be the exclusive liability of the employee.

**THE EYE CORRECTION PROCEDURE**

Employees in the Plan should ensure that their doctor provides adequate protection for their procedure.

THE CITY MAKES NO REPRESENTATIONS

The City is not, in any way, making representations, guarantees or warranties of any type to employees participating in the Plan regarding the safety or success of corrective eye surgery or the medical provider selected by the employee to perform such surgery. Employees will proceed at their own risk and should conduct their own independent investigation regarding the risks and benefits of such a procedure.

RE: Amendment to Corrective Eye Surgery Loan Reso. No. 9721 & Exhibits

I recommend the amendment to the Corrective Eye Surgery Loan Resolution No. 9721 and the exhibits based on the following:

- Authorize the City Administrator to execute all necessary documents to implement the loan.

- Remove the fiscal year in section 2 of the resolution; this would alleviate having to renew the resolution every year.

- Replace the title of Director of Human Resources with the title of Director of Personnel with the title of Director of Personnel in the body of the exhibits.

Respectfully Submitted.
