We are using the Community Alert System to send you this notification. This system allows us to provide up-to-date information to all the businesses in the City of Vernon. City Departments, such as Fire, Police and Health, will be able to send out a recorded voice message, emails, or fax with information, which may be important to you, such as street closures, inspection schedules or crime prevention information. If you have any questions regarding the information you receive, please contact the Police Department Communications Center 24 hours a day. Thank you for your cooperation.

### **National Coffee with a Cop Event**

**Friday, October 7, 2016**

All community and business members are invited to attend. The event is scheduled from 7-10AM at McDonald's, 3737 S. Soto St., Vernon, CA.

National Coffee with a Cop provides a unique opportunity for community members to ask questions and learn more about the department's work in the unique City of Vernon community. The majority of contacts law enforcement has with the public happen during emergencies, or emotional situations. Those situations are not always the most effective times for relationship building with the community. Coffee with a Cop breaks down barriers and allows for a relaxed, one-on-one interaction.

Coffee with a Cop is a national initiative supported by The United States Department of Justice, Office of Community Oriented Policing Services. Similar events are being held across the county, as local police departments strive to make lasting connections with the communities they serve. The program aims to advance the practice of community policing through improving relationships between police officers and community members one cup of coffee at a time.
