**INFORMATIONAL HEARING
Assembly Environmental Safety
& Toxic Materials Committee
Keeping Communities Safe: Oversight of Lead
Testing and Clean Up Plans Around Exide**

Dear Friends,

Please join me at a public hearing of the Assembly Environmental Safety & Toxic Materials Committee on Thursday, June 9 at 6 p.m. At the hearing, there will be an update on the California Department of Toxic Substance Control's plans to implement the governor's \$176.6 million appropriation to expedite lead testing in our communities near Exide, as well as the timeline for cleanup activities.

I encourage you to attend the public hearing and share your comments with the committee. Specifically, I would like to hear about:

- Your concerns, experiences, and communications with the county/state.
- Your suggestions for expediting the cleanup.

Details for the Public Hearing:

When:

Thursday, June 9, 2016
