SUBJECT

AB1234 Ethics, Ralph M. Brown Act, and California Public Records Act Training

Recommendation:

Background:

On October 7, 2005, the Governor signed Assembly Bill No. 1234, which requires specified local agency officials (elected or appointed); including commissions, committees, boards, and other local legislative bodies (as defined in California Government Code Section 53234-53235.2), that receive compensation, salary, or stipend for their service, or are reimbursed for their expenses to receive training in public service ethics laws and principles every two years. Local agencies also have the option of requiring certain employees to receive this training. The City requires its designated employees who file 700 forms to receive this training.

The City Attorney's Office will be conducting a training that will cover the required AB 1234 training as well as practical ethics guidance, updated Brown Act procedures, and updates from the City Clerk's Office regarding public records and related topics.
