2023 Open Enrollment

City of Vernon is pleased to have Colonial Life benefits counselors provide enrollment assistance again this year.

Voluntary benefits available from Colonial Life:

Accident insurance helps offset unexpected medical expenses that can result from a covered accidental injury.

Cancer insurance helps offset covered out-of-pocket expenses related to cancer.

Critical illness insurance can supplement your major medical coverage by providing a lump-sum benefit that you can use to pay costs related to a covered critical illness such as Heart Attack (Myocardial Infarction) or Stroke.

Disability insurance can replace a portion of your income to help make ends meet if you become disabled from a covered accident or covered sickness. On/Off-job or Off-job only coverage available.

Hospital confinement indemnity insurance provides a lump-sum benefit for a covered hospital confinement or a covered outpatient surgery to help with co-payments and deductibles that are not covered by most major medical plans.

Term life insurance offers a predictable way to provide more coverage at more affordable prices during high-need years.

NEW Features! **Whole life insurance** provides long-term protection that can build cash value.
