BUILDING ENERGY USE DATA AND PUBLIC DISCLOSURE PROGRAM Tenant Consent Form for Building Benchmarking

By completing this form, the customer authorizes the Vernon Public Utilities to provide the building owner or their designee the aggregated usage data on the customer's behalf for the Building Energy Use Data and Public Disclosure Program. The data provided by Vernon Public Utilities will not identify individual usage or the details of the utility bills. The customer's usage will be combined with all other tenants' usage data to provide one aggregated usage to the building owner or designee.

I, the undersigned, do hereby authorize Vernon Public Utilities to release and deliver the historic energy use data for the utility service accounts listed on the above table to the owner of the associated building(s), as required for participation in the Building Energy Use Data and Public Disclosure Program. I understand that by granting consent, my energy use data may be shared with the California Energy Commission and may be subject to public disclosure where permitted by California law. This data release consent form will remain active until withdrawn in writing by myself, my designee, or any new tenant of the associated property or facility.
