Rule No. 3: APPLICATION FOR SERVICE

A. Application for Service. Each applicant for electric service will be required to sign an Application on a form provided by the City and, upon request, will be required to furnish the following information:

1. Name of applicant (if not an individual, insert business organization and person to be served).
2. Date and place of Application.
3. Location of Premises to be served.
4. Date applicant will be ready for service.
5. Whether the Premises have been heretofore supplied.
6. Purpose for which service is to be used.
7. Applicant's mailing address.
8. Whether applicant is owner or tenant of, or agent for, the Premises.
9. Rate Schedule desired if optional rate is available.
10. Information to establish credit of applicant.
11. Such other information as the City may reasonably require.

The Application is a request for service and does not in itself bind the City to provide service except under reasonable conditions, nor does it bind the applicant to take service for a longer period than the minimum requirements of the Rate Schedule.

B. Individual Liability for Joint Service. Two or more Persons who join in one Application shall be jointly and severally liable thereunder and shall be billed by means of a single periodic bill mailed to the Person designated on the Application to receive the bill.

C. Change in Customer's Equipment or Operations. Customers shall give the City written notice of the extent and nature of any material change in the size, character, or extent of its equipment or operations for which the City is supplying electric service before making any such change.
